

525R

RECUMBENT BIKE

The 525R is streamlined to fit your space and your budget. For those who never rode a bike before or for those preparing for the Olympics, one bike does it all.

Standard display shown with iPad* and Cybex FIT app

STANDARD DISPLAY

Take your 500 Cardio Series to the next level with Cybex FIT, an innovative iPad app that interacts directly with your equipment, transforming the console into an advanced touchscreen workout display. Users now have access to a full suite of digital features and controls that lets them personalize their workout experience.

E3 VIEW HD OPTIONAL DISPLAY

The 500 Cardio Series also offers optional technology features including iPod® /iPhone® connectivity, the embedded MYE wireless audio receiver, and the E3 View high definition monitor which offers three viewing modes on a 15.6" embedded display.

*iPad not included. For use with products installed with optional iPod/iPhone connector.
